Sir,

Your D. O of 13th July 1899 forwarding Mr. Shamiengar's No 79 of 18th June 1899 with 2 Enclosures.

In returning the tracing received with the above letter showing the lands at the Shanagore Burning Ghat purchased by the Mysore Govt. from the Corporation at Calcutta I have the honor to bring to notice that the "cremation ground of the Maharajah of Mysore is excluded from the land colored green in the tracing and marked "Land sold to Mysore Govt." On referring the question to the Secretary to the Corporation he states that the land is not municipal land but is the property of Government and that the Collector of Alipore should therefore be addressed about it. Copies of marginally noted Correspondence are enclosed for information and further action in the matter.
